Each day, every day
 we come and we go
 with excitement, with fear
 with despair, with hope,
 pouring through the doors
 down the much-travelled halls,
 sealing them with invisible footprints
 stopping, talking
 stopping, thinking
 sometimes just waiting
 smiling
 frowning
 laughing
 crying
 each day, every day

Now, suddenly,
we see just a few more steps
to the end of the corridor
and an open one-way door.

Now suddenly,
we look back with surprise
and remember . . .

We came alone
but one in a mass of many.
As the faceless bodies
danced around us
we realized we belonged.
Autumn, winter, and spring
swirled round us
and we grew
each day, every day

Meeting others, discussing, sharing,
walking together, eating together,
playing together, praying together,
together we learned,
we found fragments of knowledge
hidden in every room . . .

"Parlez-vous francais?"

"The historical causes of the war . . ."

" $\frac{1}{2}$ cup of butter, 2 cups of flour"

"Robert Browning, Shakespeare . . ."

"The true Christian person is . . ."

listening, speaking,
giving, receiving,
shaping ideas,
each day, every day

We are together in oneness
in the crowded stands,
shouting, "We're from Andean!"
cheering, sighing,
waving red and gold,
wearing red and gold,
we plan for, yearn for
those special days:
heels and fancy dresses
and boutonnieres,
prom gowns swishing
and tux's stiff and trim . . .
moments to share with
someone we love
each day, every day

We come together to a common table
to celebrate life,
to commemorate death,
to celebrate our life
to remember a lost classmate's life,
to ask forgiveness, love, and grace,
one with Our Father
at the banquet of the Lord,
each day, every day

We came as children
laughing
dreaming
smiling
loving
and somewhat lost

Now we no longer find ourselves
the children
we once were
nor yet the men we shall be

Happy and sad we linger
then leave
with thoughts and ideals
and dreams we have formed
in these unforgotten moments
of sometime happiness and sorrow
with nothing but ourselves
as the sum total of each day.

Knowing that we realized ourselves,
we realized this final day,
each day, every day.

Our Administration — Strong, Confident Leaders

If Andean High School enjoys the reputation as a leader in scholarship and extra-curricular activities among the Gary area schools, a reputation which admissions applications and colleges confirm, the large share of the credit for the planning and organization goes to those who manage the school, the administration. Led by Rev. Richard Kinsky, C.S.B., principal of one year, the members of the administration have succeeded once more in keeping Andean an up-to-date academic institution. Their innovations at Andean — ranging from flexible scheduling, and a strengthening of individual departments to changes in the dress code, have helped to make Andean a top quality Catholic High School.

Theology Department Attempts To Prepare Students For Christian Life In A Modern World

The object of the Theology Department is to aid the individual student in seeking knowledge of religious truths and principles and their application to current problems. Each student is challenged to find his own place in God's plan, that is, his relationship with God and his fellow man.

Several innovations were attempted in the department this year in order to better achieve this objective, and to enhance the curriculum. This included the Sophomore boys' section, which introduced the Discovery program to Andrean. The Senior section tried to implement semester elective courses such as: Contemporary Problems and the Christian, a Seminar on Teilhard de Chardin, Comparative Religions, and Teaching and Explaining the Faith through the CCD program.

English Department — Experience Of The Beautiful And Creative

The English Department has long distinguished itself by its flexibility, variety, and creativity. It offers, under the chairmanship of Fr. Judd, a four year program for all students. Its curriculum emphasizes writing skills in conjunction with the exploration of the dynamics of literature, language, and speech. Besides special courses for honors students and courses in journalism and speech, the department provides a senior-level course, English Seminar, which challenges interested students with some of the best literature of the world from Euripides to Hesse. New to the program this year are course electives in senior year, including courses in Shakespeare, Black American Literature, and contemporary authors.

Mathematicians Learn Old Math In New Ways

The Math Department, headed by Sister Nadine, is divided into three tracks to accommodate every student. The first track comprises the accelerated courses of Algebra, Geometry, Algebra II, and Advanced Mathematics. The second track includes Algebra I, Geometry II, and advanced Mathematics for the average student. The third track aims to help students with difficulty and includes Mathematics 9 and 10, and Geometry.

Rev. Albert Cylwicki, C.S.B.

Miss Mary Ann Dobrowski

In these courses, math students learn new applications of such handy age-old formulas as $a^2 + b^2 = c^2$. While young mathematicians struggle with proofs and graphs, Fr. Cylwicki, with the aid of his overhead projector, helps the upperclassmen to expand their mathematical abilities in such areas as the rate of change of tangents to a polynomial function. Many films this year also proved helpful to math students — even Donald Duck aids in teaching math at Andrean!

Mr. Thomas Fitzpatrick

Sister M. Nadine, SS.C.M.

Sister M. Joanne, SS.C.M.

Rev. John Menner, C.S.B.

Language And Literature — Pathway To People

The Language Department, headed by Sr. Annette, offers four year courses in French, German, and Spanish and a two year course in Latin. Most students here at Andean take at least two years of one of these languages, and during the course of their language program are exposed to a "living language" approach, i.e., they are taught in and speak in the language that they are learning. This program has been especially helped this year by the addition of a portable language lab, which can quickly be moved into any of a half-dozen rooms and which can automatically give each student his own personal language teacher. Over the years the Spanish Department has enriched its program considerably by offering annual summer excursions to Mexico, where the students study language and literature both on and off one of Mexico's large universities.

Science Department Stimulates Interest In The Why And How Of Our Environment

The Science Department under the direction of Fr. Decker, attempts to instill in the students the why and how of physical environment. This year, advanced biology students enter into a contract which determines their quarterly grade. "A" level grades require a laboratory or library research project in addition to regular assignments. As a result of this, students can be found working in the lab before and after hours and on weekends. Sometimes Science encourages students to take on individual projects, such as the making of a laser. Despite the chicken and mice in Biology, and the minor explosions in Chemistry, and the chlorine gas from Physics, the Science Department continues to move ahead.

Social Studies Department — Key To Past And Future Worlds

The Social Studies Department under the direction of Miss Roseann Trapane provides courses for everyone. Through four years at Andean, students are able to learn about the cultures of the United States and other societies around the world. An experimental advanced course, team taught by Mrs. Weiss and Fr. Schwenzer, was introduced to the curriculum to provide a more intensive study of United States History for students with a special interest in that field of study. Activities of the social studies classes consist of field trips, group projects, study of current events, term papers and book reports. Through its required and elective courses, the Social Studies Dept. meets the needs and interests of the students.

Mrs. Lester Weiss

Business Courses Prepare For Future Careers

The Business Department provides all students who seek vocational business training with sufficient preparation to meet occupational requirements for initial employment. Students readily learn note-taking skills and acquire speed in typing to enable them to become business secretaries. Through a variety of courses, Sr. Cyrilline also helps to provide opportunities for all students to acquire knowledge of business principles and skills for their personal use.

Home Ec Classes Stress Homemaking Skills

The Home Economics department aims to provide the students with both the knowledge and the skill necessary for establishing Christian homes, and to develop in the students an appreciation of Christian womanhood. Students passing room 108 on certain days detect various delicious aromas emanating from the Foods Room where a Home Ec Lab is in session. Here, girls learn the importance of proper nutrition. Sewing is also an important aspect of this field.

This year, Gisele Farag was named the Betty Crocker Homemaker of Tomorrow at Andean. Annually, the Home Ec classes also sponsor the Avon "Who Fits the Picture" contest. Sister John Vianney's enthusiasm has encouraged the students to become very much involved in this department.

Sister M. John Vianney, SS.C.M.

Mrs. Paul Krick

Mrs. John Wamsher

Fine Arts Department Develops Student Creativity Through Expression Of The Beautiful

Whether adding color to *Hello Dolly* or touring St. Louis and Louisville, the Music Dept., under the direction of Mr. Chilian and Fr. Moffatt, continually proves that it is a vital part of Andean.

A glance into the art room gives evidence of the creativity of Andean students. Fr. McKinnon and Mr. Williams provide the students with creative opportunities which result in mobiles, realistic landscapes, fantastical creatures, and acrylic paintings. The spirit of various seasons, such as Halloween and Christmas, is brought to the cafeteria by the art students.

In an attempt to stay abreast of recent architectural innovations, the Industrial Arts Dept., headed by Mr. Billick, tours modern residential areas. The students' displays on Fine Arts Day show the wide scope of their activities.

Phys Ed Builds More Than Strong Bodies

Here at Andean the physical education program is geared toward the freshmen. Mr. Rogovich, the director of the program, has outlined a program which is intended to give freshmen more than an acquaintance with sports. They are taught physical skills, instructed in proper physical development, and even exposed to modern dance. Even the sports that are taught and played, such as basketball, volleyball, baseball, wallball, and soccer, are taught more with an emphasis on sportsmanship than on mere physical prowess. This emphasis is all part and parcel of our school's philosophy which stresses the development of the whole person.

Religion Is Integral Part Of Daily Life

The purpose of a Catholic school is to help students to mature and develop both spiritually and intellectually. Its aim is to guide them in forming firm Christian morals while providing them with every possible opportunity to fulfill their spiritual needs. From the first week of school, when the entire student body assembled to celebrate the Mass of the Holy Spirit, they became united in Christ. Throughout the year, opportunities for daily mass, confession and communion were made available to students. Class retreats, folk masses, and prayer meetings created a mutual companionship and awareness in students. The liturgy and songs of the funeral masses for Kirkland Barnett and Leonard Ruzga were selected and delivered by their own classmates who put a meaning into the sacrifice that touched everyone. All of these aspects of a Catholic education combine to make it a real privilege.

Cancelled Armageddon Games Rescheduled — Successful Despite Tense Beginning

Vulgar words, sour faces, pushing hands, and shaving cream sprayed all over the master of ceremonies at the assembly was the ungentelemanly manner in which Armageddon 1970-1971 began. For a brief ten minutes it appeared that Armageddon would not be held this year. Some were glad, feeling that it would be a mockery of school spirit to continue the weekend with this spirit of crude horseplay; some were very sad, seeing a hard three weeks' work suddenly disappear. But Armageddon did go on, giving the Junior Class its second year of school victory but giving no one the much flaunted "moral victory." Despite the tawdry beginning, the weekend drew large numbers of students competing in everything from ping-pong to soccer and enjoying themselves at the sock-hop which ended the festivities.

A thrilling hush fell over the crowd as the final notes of a song drifted into the air, a pause . . . then Stan Boric announced Andean's 1970 Homecoming Queen — Lynn Thoma.

Preparation for the weekend began as classes constructed imaginative floats and fluffed billions of tissue flowers. Homecoming activities commenced with the presentation of the five candidates for queen at the sock-hop Thursday followed by an enormous crackling bonfire. Friday, game night, our long impressive car caravan paraded down Broadway to Gilroy Stadium where fans jumped with glee after each touchdown scored in a 42-20 victory over Emerson.

Homecoming events are always surrounded by tremendous anticipation, joy, spirit, pride, unity, and treasured memories. This year was surely no exception.

Victory And Christmas Dances Delight Many Couples

Colorful, life-sized cheerleaders and football players covered the gym walls for the Victory Dance which climaxed the Niners' successful football season. Its theme, "22 and Then Some," recalled their impressive twenty-two game winning streak, while the Homecoming Queen and her court represented that exciting highpoint of every football season.

As the holiday season approached, thoughts were turned to parties, presents, snow, vacation, cheer, and the Christmas Dance. Dedicated students created the scene which greeted couples with "An Old-Fashioned Christmas" of evergreens, bells, greeting cards, and bright, colored lights.

Upper left: Pat Lauerman and GERALYN KUNAS anticipate an encounter under the mistletoe. Bottom left: GERALYN KUNAS has added to the success of many dances with her decorating talents.

Junior Class Creates Underwater Fantasy

The Class of '72 with the guidance of its moderators, Mr. Blocher and Sr. Joan Marie, applied originality and skill to make its Junior Spring Dance an enchanting memory. The school cafeteria was transformed into Atlantis, the Lost Continent. Couples attending the dance were plunged immediately into the romance of this underwater civilization as they entered the cafeteria through a mysterious Aquatic cave. The walls of the room decorated with beautiful sea shells, colorful fish, and unearthly bubbles helped to cast this romantic spell. In the middle of this Neptune's world lay an ancient chest spilling over with rare and precious jewels and on each table smaller chests invited couples to store their treasured memories. The finishing touch was given by the sophomores, dressed as sailors, who served up a delicious mermaid's punch.

Senior Class Achieves Excellence — "Arete"

The gods and goddesses of Andean descended upon the school the evening of April 30. The seniors had chosen "Arete," the Greek word for excellence, as their prom theme. Each couple entered the dance by way of the long pillared portico under the Music wing of the school. As they stepped inside, they were first met with a lush green, beautifully sculptured Greek garden complete with benches, statuary, and stone fountain. Further into this ancient setting was a magnificent classical temple, awesome with its three-story-high doric pillars, elegant friezes, and immense mural depicting the myths of the golden age of Greece. The center of this imposing temple was illuminated by a great torch set amid another small garden scene. Rudi Seyser and His Orchestra completed the scene by filling the atmosphere with music. The evening maintained its romantic mood even to the Post-Prom Party held at Marquette Park Pavillion. Here the seniors were regaled with both dinner and more dancing, this time in less classical fashion to the music of the New World Column.

Upper left: Dennis Soltis and his date pause beneath a vine-covered trellis at the outside entrance to the prom. *Upper center:* Pat Lauerman and Michael McLaughlin obviously enjoy each other's company. *Bottom left:* Mary Lynn Secina and Landen Krupchak eagerly await their dinner at the Post-Prom. *Bottom center left:* Maria LaFrossia and Kim Towers dance in the temple courtyard. *Bottom center right:* Frank Bottos escorts Marguerite Ihnat during the Grand March.

Seniors Recreate Golden Age Of Greece

Turnabout Goes Oriental

"Garden of Buddha" was the name of this year's Turnabout, which took place in the gym on February 20. The decorations included an eight-foot Buddha, and a Japanese bridge in the center of the gym, which gave the dance a mystic, oriental atmosphere.

The classes of '73 and '74 got together for the annual Froshmore Night, which took place on March 26. The dance was held in the colorfully decorated cafeteria and was aptly called "The Sound of Color." The two Sophomores in charge of the affair were Phillip LaMere and Deborah Karras. Refreshments were served, and the pizza was made under the direction of Father Schwenzer.

Student Council Initiates Student Activities

The Student Council is intended as a liaison between faculty and students, especially on extra-curricular activities. Over the years the Council has changed itself internally and helped in many ways to change general school policy, most notably the dress code which was dramatically altered this past year for the first time in the eleven year history of Andean. The most demanding and valuable service of the Council is preparing the activities connected with Homecoming and Armageddon; in addition, it sponsors most of the dances and sockhops, including the Victory Ball and Christmas Dance, and most of the school assemblies. Two very special projects of the Council's 1970-1971 term were Tom Dooley Week, a week devoted to raising money to aid the people of Southeast Asia, and a Student-Faculty Volleyball Game held to collect money for the nationwide March of Dimes.

Upper left: Student Council Officers: M. Martin, Vice-president, S. Boric, President, J. Culveyhouse, Treasurer, B. Popa, Secretary. Upper center: P. O'Brien performs at the Folk Festival, "Here Comes The Sun" sponsored by the Council. Far right: Student-Faculty Volleyball Game. Bottom right: A welcomed visitor at the 1970 Christmas Assembly. Bottom right: The Armageddon Games are a success due to the efficient preparations of the Student Council.

Forensic Members Awarded Trophies

The Forensics Society, headed by Sister Gilmory and Mr. Fitzpatrick, enables students to exhibit their talents through competition. The four categories of speech are Humorous presentation, Dramatic presentation, Extemporaneous, and Poetry. In each category, the members compete against representatives of other schools in seven to ten minute presentations. About four of the 10 members of Andean's Forensic Society have won ribbons in regional competition.

Upper left: Officers: P. Gilles, R. Guizzo. Upper right: Barb Lach. Center right: Chris Markle. Bottom right: Mary P. Langozo, S. Sulich, T. Smar.

Juniors And Seniors Involved In World Affairs

YARC Helps Needy Children

The Youth Association for Retarded Children has done much to help the retarded in the area. The club has sponsored two candy sales, and a Christmas and Easter party for the children. The members of Andean's Youth Association for Retarded Children also took part in a city-wide march to raise money for three day care centers in the district.

The World Affairs Forum is sponsored by the Social Studies Department. An interest in current events is instilled in the members through city-wide meetings. At these meetings, each school plays the part of a fictional country, discussing various foreign relations.

Upper right: Y.A.R.C.: M. Libassi, G. Lozano, M. Zakutansky. (standing) M. Kocon.
World Affairs Forum: D. Gomolka, G. Lozano, G. Liber.

Students Pursue Interests In Foreign Cultures

Andrean has two active language clubs, the French Club and the Spanish Club.

In November, the French Club, moderated by Miss Moore, sponsored a crepe sale. The preparation, cooking and serving of these distinctive French pastries was entirely done by the club members. All the students and teachers at the school were invited to partake of this continental cuisine to help raise money for the club. At Christmas time, the club went to a Chicago restaurant for a more complete introduction to French foods. Also at Christmas time, the club visited the famous display, *Christmas Around The World*, at the Museum of Science and Industry in Chicago.

The Spanish Club had more than their share of excitement this year when a Spanish film they were showing was interrupted by a bomb scare here at the school. Less dramatic but equally exciting was the club's Christmas fiesta, which offered the traditional Spanish cooking along with the customary games, including the breaking of the pinata. The club wound up its activities for the year with a trip to Chicago to see the musical version of Don Quixote, *Man of La Mancha*.

Upper left: French Club Officers: J. Walker, M. Yoros, D. Masley, P. Gilles. *Upper center:* Miss Crociun and G. Federici prepare for a German Club meeting. *Upper right:* German Club Officers: D. Urbonek, M. Beiriger, D. Lebiado, M. Lox. *Bottom left:* K. Frederick enjoys "une crepe" of the French Club sale. *Bottom center:* Sister Annette presents K. DeVony, winner of the National Spanish Contest of 1971, with his award, a trip to Mexico. *Bottom right:* Spanish Club Officers: M. LaFrassio, M. Novorro, R. Novorro.

NHS Offers Insight Into Black Culture

The Cardinal Flahiff Chapter of the National Honor Society is Andean's branch of this national organization which pays recognition to junior and senior high school students who have displayed outstanding scholarship, leadership, character, and service in their school's life. At Andean an appointed committee of faculty members twice a year selects upperclassmen that it believes are worthy of this honor.

Although the Society is not intended to be an active service organization in its own right, it does help to sponsor the annual Fine Arts Day. Over the years the Fine Arts Day program has presented valuable studies of other cultures of the world, ranging from the contemporary Subculture to Japanese Art. This year, in cooperation with the Black Student Union, the N.H.S. presented a program devoted to Black American Culture.

Upper left: NHS Officers: D. Wojkovich, D. Gomalka, J. Ballinger, P. Charbonneau. *Upper center:* Chris Markle narrates a dialogue from "The Coffee Break" by Langston Hughes at Fine Arts Day. *Upper right:* State Senator Adam Benjamin addresses the student body at the National Honor Society Fall Convocation. *Bottom left:* A series of interpretive dances relates the history of Black American Culture at Fine Arts Day. *Bottom right:* Mayor Richard G. Hatcher speaks at Fine Arts Day.

Acropolis Keeps Students Informed

Andean's newspaper, "The Acropolis," is a vital part of the school's academic and extracurricular life, providing much desired communication between students on activities, sports, classes, and contests. Under Sr. Alice, the paper's moderator for most of the past eleven years, "The Acropolis" has won several journalism awards. The paper, laid out in a modern format, incorporates cartoons, special columns, editorials, pictures, and general write-ups of school life. Probably the most familiar part of its monthly edition is the Li'l Andy column, a witty, sometimes enigmatic column recording the foibles of Andean students and teachers. An interesting addition this year is the editorial column, Phase I, which has provided challenging opinions on ecology, the space program, and other social issues.

School Newspaper Experiments With New Design

Decussata Staff Makes Exciting New Changes Colored Pictures Added — Format Revised

This year has been a new and different experience for everyone here at Andrean. Changes have occurred not only throughout the rapidly advancing scientific world, but also at Andrean itself. Innovations in school policy, a change in administration and changes in student outlook have been witnessed during the course of the year. It is in keeping with this spirit that the staff of the 1971 *Decussata* has chosen to embark on an excitingly different book. It is thus hoped that this year's *Decussata* will better present within its pages the memories of this complete school year.

Ventura. *Bottom right:* John McLaren, student photographer.

Music Department — Choral Fact And Fantasies

Andreon's Music Department is one of the few departments which successfully bridges the classroom and extra-curricular activities. Under Mr. Roland Chilian's direction it melodiously invades several of the school's most popular activities: assemblies, drama productions, and the Homecoming Parade. It even carries this merger of school and activities further by touring area grade schools in other parts of the States and Canada. This year the Band, the Mixed Choral, and the Girls' Choral took their musical talents to St. Louis and Louisville, Kentucky as well as giving the annual school concerts: Christmas Concert, Spring Concert, and Pop Concert.

"Hello Dolly" And "Funny Girl"

Directed By Father McKinnon

The Andean Drama Club, in its nine year history has staged some of the best and most challenging theatre that has been seen in the Calumet area. We began with "Our Town," performed on a curtainless stage, and worked our way through "Murder in the Cathedral," "A Man for All Seasons," and a sensational production of "Marat Sade." At the same time we managed to put on some of Broadway's most popular musical-comedies, including the longest running Broadway musical: "Hello Dolly." "Dolly" and the popular "Funny Girl" were the last drama productions to be staged by Father Robert McKinnon, who has been the chief inspiration and driving force behind our unusually sophisticated high school theatre for these past nine years.

Upper left: Drama Club: R. Samar, T. Wozniak. (standing) T. Pappas. Bottom left: Stage Crew: W. Knoll, G. Kay, J. Adams, L. Cielski, T. Hayes, P. McCormick, K. Komisarick.

Students Work Toward Worthwhile Goals

Two important clubs at Andean are the Human Relations Club and Students Organized Against Pollution. The Human Relations Club sponsors such activities as student exchanges, interschool conferences, and dances. SOAP has played a big part in getting the students interested in doing something about pollution. The organization has conducted two glass collections this year, amassing over 6,000 lbs. of glass to be recycled.

Upper left: S.O.A.P.: J. Milchak, M. Petrites. (standing) W. Zajdel. Bottom left: Human Relations: D. Mosley, M. Kocon, T. Ransom, E. Gordan.

Future Homemakers Of America Host Parents In Various Annual Activities

The Future Homemakers of America plan activities that advocate closer family relationships. The club has sponsored a Mother-Daughter Christmas Party, visits to homes for the aged, and a Halloween collection for Cerebral Palsy. The most successful activity is Daddy-Date Night, which includes all the members and Non-members and their dads. The FHA sponsors more functions such as the assembling of packages that are sent to Vietnam, Mother's Day in October, and the donut and pizza sale at the Homecoming Bonfire and at Armageddon.

Upper right: FHA: (seated) J. Mayoch, R. Argenta, T. Argenta, B. Jaroscak. (standing) K. Finley, D. Doffin, C. Malicki, S. Miles, M. Levenda, P. Villareal. Bottom center: Mary Zolcak and her dad enjoy themselves at Daddy-Date Night. Bottom right: Mothers' Day in October.

Two Successful Clubs Organized This Year

The Art Club of Andean was started this year by Mr. Williams to give its members the opportunity to use their artistic abilities in assisting with school activities. Their projects have included decorating the gym for the Victory Dance, helping with the Turnabout, and making scenery for the plays.

The Black Student Union attempts to make black students aware of their own culture by instilling in them confidence and self-pride. This organization has sponsored a paper drive, as well as assisting with Human Relations Club dances.

Upper right: Art Club: M. Gorney, R. Samar, J. Adams, W. Knoll. Bottom left: Black Student Union: C. Dorsey, A. Rogers, T. Ransom, D. Mosley.

Experience Proves Valuable

The Math Club and the Business Club are two organizations that help students become aware of the practicality of taking math and business courses. The Business Club sponsors visits to business colleges and firms, and assists with Career Night, making signs to promote this successful annual activity. At each meeting of the Math Club, the members participate in a program including various math puzzles and reports concerning current math projects.

Upper left: Library Assistants: V. Levenda, P. Gustin, M. Landes. *Upper right:* Math Club: C. Chapko, M. Kubiak, M. Penovich, M. Levenda, J. Nawrocki, T. Nehring. *Bottom left:* Business Club: M. Murphy, P. Kranick, D. Terlicher. (seated) M. Tully.

Mission Society Helps Poor Throughout The World

The Mission Society not only helps poor people throughout the world, but brings students an awareness of the problems of the poor. Homeroom representatives solicit donations from the homerooms either by planning fund-raising projects, or through "pass-the-hat" collections. These donations are sent to various missions at least twice a year. In addition to various missions, Andean this year has helped war-stricken families in Vietnam, the poor of Mexico and the slum dwellers of South Carolina.

Upper right: Mission Society: B. Berkheimer, J. Bellendorf, T. Hayes, E. Griffin. Bottom: Two "top" homerooms on the monthly mission bulletin.

Girls Show Sports' Enthusiasm

Andrean Gridders Gain NWC Co-Championship

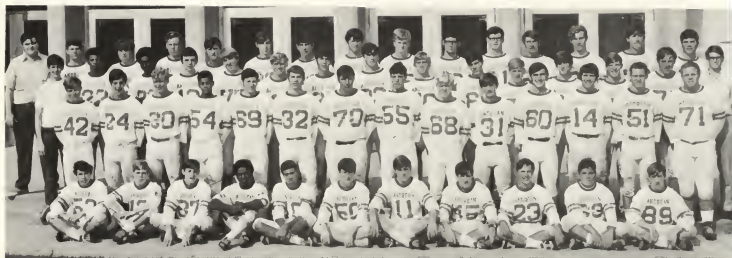

One of the finest squads that has ever come out of Andrean was seen in this year's varsity football team. The Niners were represented with another state ranked team. Our record was seven and two with victories over long-time rivals such as Hammond-Morton, Wirt and Lew Wallace. The only defeats were to Hobart and West Side which were both extremely grueling games for the Niners. It was a never say die year and success came in working together as a team. After a loss to Hobart, Coach Crnkovich brought the team back to win five consecutive games. Our defense must be given tremendous credit. They were a

group of determined players who worked together for one cause — to stop the opposition which they did fantastically. Our offense tried to make it easy for our defense by scoring as many points as possible. Our backs had a rushing average of 44 yards per run. Much credit must be given to Coach Nick Billick. These two men developed the offense and defense, kicking teams and the line into a single, unified team — the Andrean Niners. The entire Andrean community — administration, faculty and students, plus all the Niner fans, congratulate the team on an outstanding season.

Upper left: Bob Morgan intercepts pass. Bottom left: Front line moves out against defense. Upper right: Niners converge for victory. Bottom right: Bruce Berkheimer gains yardage.

Perfect Record For Frosh Gridders

The Freshman football team scored a perfect record in the '70 season. Coached by Fathers Richard O'Neill and John Menner the team shut out every one of its opponents except Calumet. Perseverance, hard practice and tremendous spirit guided this year's team.

Frosh Scores

Andean	Opponent

Reserves Complete Second Undefeated Season

The Reserve Football team completed this year's season with an undefeated record. Coach John Bennett worked the team hard and prepared them for a rough season. They responded with a city championship. After a grueling game with Hammond Gavit which ended in a zero to zero deadlock, the team went unbeaten and untied. The Niners shut out Gary Roosevelt and Lew Wallace and they also defeated Hobart and Westside. With a tough freshman team coming up, Coach Bennett has a similar outlook for next year.

Andrean Cagers Rekindle School Enthusiasm

Andrean cagers came up with a winning season this year. With two seniors, two sophomores and a bundle of juniors, Coach Rogovich's Niners obtained a 12-7 record. Basketball came alive once more at Andrean with an exciting game against Roosevelt. The power of the "Velt" prevailed but the game proved Andrean would be heard from during the year. The team obtained more victories than they had for the last few years. Until the Holiday Tournament, Andrean couldn't muster a winning attitude, but perseverance paid off. The cagers reeled off five straight until they bowed to Hammond Tech. With five victories in the next six contests, the Niners prepared for sectionals. However the final buzzer favored Mann 62-60. Although the year ended on a low note, Andrean students know that basketball is back.

Grapplers End Season With 7-5 Record

Andrean's wrestling team produced a victorious season for Coach John Bennett. Lead by seniors Bruce Berkheimer, David Dolato, Martin Halfman, Frank Kalvaitis and undefeated Tom Berry, Andrean placed third in the conference Tournament and fourth in the East Gary Invitational. Juniors, Mike Mateo, Mike Muraida and Derek Regal, also helped the team muscle its way to victory. Wrestling has become a very popular spectator sport at Andrean. Tough teams, good coaches and fine fans have contributed to this popularity.

Upper left: Derek Regal is proclaimed victor. Upper right: Coach Roy Tobias looks on. Center right: Bruce Berkheimer finds himself in a tense position. Andrean Trackmen Shine On Cinder Path

Running against the best teams in the state, Andrean's trackmen turned in fine efforts throughout the season. They gave notice of future success by placing sixth in the 20 team Noll Indoor Relays. They continued to perform solidly outdoors, taking third in the Andrean Relays, eighth in the 19 team Gary Sectionals, and third in the Northwest Conference West, which was the best conference finish in the school's history. The squad had an overall dual meet record of 3-4.

Senior captain Gene Sable finished a strong third in the sectional two mile run with a 9:42 clocking, the fastest two mile by a 59er in four years. Junior Jim Fallace equalled the early state season best in the 440 with a 50.4, and missed the state finals by one place. Senior Frank Spellman, who is the city champ, also made the regionals in which he pole vaulted 12'9".

Add to this a school record in the sprint medley and a near miss in the mile relay by sophomore and junior teams and you have a good season, with a bright future.

Upper left: Coaches Peter Billick and Steven Vamas get J. Fallace off to a good start. *Upper center:* A vaulter clears the bar. *Upper right:* B. Lynch outdistances an opponent. *Bottom left:* 59ers edge up to the starting line. *Bottom right:* Andrean Trackmen: (front row) G. Walton, W. Clarke, S. Bien, P. LaMere, R. Bartolomeo, T. Berry, M. Gasper. (second row) M. Glinski, M. Verdeyen, J. Brodner, D. Burrell, D. Parlock, K. Mirich, D. Garner, R. Hogan, R. Iatarola, J. Vahary. (last row) G. Pelot, L. Sielski, C. Cottrell, J. Vuich, B. McGuan, G. Haworth, W. Ebersberger, J. Karver, J. Fallace, J. O'Keefe, G. Pazak, K. Towers, D. Smith, M. Rupp, R. Humphrey, G. Sable, F. Spellman.

Harriers Stride Out But Tire At Finish Line

Hard work and lots of desire were the trademarks of Andean's cross country team, despite a 3-7 dual meet record.

With only one senior in the first seven, the harriers were confronted with a lack of experience and maturity. Led by senior Gene Sable, they met the challenge often as witnessed by their 11th place finish in the 16 team sectional and an 18th place effort against 22 teams in the Hobart Invitational. The prospects look good for next year if this year's turnout, the best in recent memory, can be matched again for this grueling sport.

Upper center: Coach D. Rogovich looks over the team. Bottom right: G. Roszkowski, W. Clark and R. Sylvester run a grueling mile. Bottom left: (standing) P. Ridgely, Mgr., J. Griffin, T. Chale, R. Sylvester, M. Mateo, G. Walton, K.

Towers, F. Fransioli, J. Gundy, R. Humphrey, M. Manno. (kneeling) M. Zimmerman, S. Stefankiewicz, R. Hogan, N. Flores, M. Gerberick, C. Griffin, G. Roszkowski.

59ers Use Superb Effort For Winning Season

Anyone who has seen an Andean baseball game has heard the original coachly chatter from either Coach Nick Crnkovich of the Varsity or Coach John Coggins of the Reserves.

This year's squad is a solid team, hitting and pitching as if they were playing for the last time ever. On the mound, we have Dave "Muddy" Waters, Bob Morgan and Bill "Rod" Kaminski, with Bob St. Germain as their battery mate. Carl Markey, last year's catcher, has been moved to center field. These and many others have provided Andean with many exciting baseball games.

NWC Championship For Netters

It was a banner season for the varsity tennis team this year under the leadership of Coach Jerome Mazur. With the aid of four returning lettermen, one senior and two freshmen, Andrean finished with a nine and two record. The Niners

came out of the season with the NWC Championship. In the sectionals the team came in with 23 points and they finished in third place. With only one senior leaving, the hopes for next year remain high.

Andrean Golfers Swing Into Winning Season

The 1970-71 golf season was a good one for the Niner linksmen. With five returning lettermen, first year coach Mike Chelap had one of the finest squads in Andrean history. Juniors Peter Mandich, James Culveyhouse and John Matovina formed the basic team and were joined by senior Ronald Galloy and sophomore Raymond Franz. The team got off to a flying start winning their first thirteen matches. Included were pressure-packed victories over long time rival, Merrillville, and our primary opponent within the Northwest Conference, Lew Wallace. Disaster occurred on May 12 when Valpo defeated Andrean by thirteen strokes. The Niners bounced back and tied Lew Wallace by a single stroke in a sudden death playoff for the second place trophy. Wallace evened the score four days later as they thwarted Andrean's attempt to win their second city meet in the last three years.

Most freshmen enter high school for the first time with mixed feelings of wonder, bewilderment, and excitement. The Class of '74 was no exception. But as they discovered that these feelings were shared by the entire class, they realized that they were united from the beginning. Although upperclassmen usually think of freshmen as being "green" and of no importance, the Class of '74 received tremendous support and encouragement from them. Football games, excursions, sock hops and a big-little sister party made the freshmen feel welcome and truly a part of the school. With this sense of security, the freshmen soon developed spirit and pride in their class with a 10-0 football season. If the freshmen breezed by their first year at Andrean so smoothly, the next three will surely pass with ease.

Sophomores Enliven School Atmosphere

The Class of '73 is versatile and talented. It has an academic record to be proud of for it is well represented on the Andean Society and Honor Roll. Also, two of its members, Phil LaMere and Patti Ihnat, received awards for the National French Exam while only freshmen. The class even pooled its talents to organize a Sophomore Literary Club.

The Class of '73 participates enthusiastically in all clubs and activities. For instance, they are defending Armageddon soccer champs. This year, Sophomores took charge of the homecoming bonfire. The boys devoted all their energy to building the mountain of wood which they proudly guarded a whole night, even through a raid of unfriendly visitors. Their creative float, a balloon-spouting steam roller, could have easily won a prize.

In sports, the Class of '73 can boast of having undefeated freshman and reserve football teams and a winning basketball team. Joe Sullivan is the first sophomore in Andean's history to be in the starting line-up of the varsity football and basketball teams.

The Class of '73 is a well-rounded group that's using its potential to move ahead as one of Andean's many fine classes.

Strong Leadership Brings Juniors To End Of School Year

The Junior Class is composed of a rich mixture of many diversified talents which are evident in almost every school activity, ranging from the Art Club to Varsity Track. The Class of 1972 has made its athletic ability apparent by filling the empty ranks in the Varsity teams. By proudly leading the mission collections, the Juniors have demonstrated their magnanimous generosity. This ambidextrous class has already proven its limitless spirit and skill in accomplishing the unexpected by returning as the Armageddon champs. Many members of the Junior Class have often displayed a great deal of talent in the fields of music, drama and art, by participating in the band, in choral, in plays and aiding in the creation of Acropolis pictures and Booster Club signs. Many of the clubs at Andrean, such as SOAP, thrive primarily on the deep concern and participation of its Junior members. Some exceptional Juniors have been elected to the National Honor Society for their outstanding contributions to Andrean, however, the entire Junior Class has become a sturdy building block of our school.

Each Day, Every Day

We Got By With A Little Help From Our Friends

As seniors throughout the country vacate the protective womb of their high schools, most will preserve the usual memories of friendships, football games, and proms. But only Andean High School's Class of 1971 can reminisce inheriting the great privilege of sitting on the gym floor for assemblies, participating in a mock U. S. Senate session, and watching T.V. with Bruno and Louella while fluffing flowers for their float. Imagination helped create the mysterious blue of the "Age of Aquarius," a Junior Bike Day, and the first Mr. Legs. Only through a united effort were the seniors able to raise a tremendous amount of money for their prom with a candy sale, combine all their physical strength to win the Spirit Award for the 1970 Armageddon games, and back their football team completely after losing the all-important Hobart game. Although brains and talent helped, the Class of '71 accomplished these things by overcoming their faults, pooling their resources, and thus, developing an exceptional unity.

KIRKLAND S. BARNETT

1953-1970

. . . No man is an island, entire of itself; every man is a piece of the continent, a part of the main; if a clod be washed away by the sea, Europe is the less, as well as if a promontory were; . . . Any man's death diminishes me. Because I am involved in mankind; and therefore never send to know for whom the bell tolls; it tolls for thee.

LEONARD M. RUZGA

High School is a waste of time . . .

. . . unless you find a job that turns you on and makes good use of your education. Inland Steel wants only people who want to use everything they've learned in high school--and strongly desire to grow personally and in their chosen field.

Inland's future growth depends on the creativity and productivity of its people. If you want a really challenging opportunity to contribute--with the rewards and responsibilities that go with it--Inland wants to talk to you.

We need action-seeking graduates for opportunities in clerical . . . production . . . technical . . . and craft apprenticeship areas.

Think it over. If you have high aspirations and a good high school record, take time to find out about a career with us.
